J.A. Logistics, Inc. Storage Trailer Rental Agreement

Lessee: _____

Lessor: **J.A. Logistics, Inc.**

Date: _____

The storage trailer rental agreement hereby states that all trailers delivered and intended for storage purposes will be confined to movements within the designated lessees' premises. Lessee agrees to indemnify and save harmless lessor from any and all claims, suits, losses, fines, or any other expenses arising out of, based upon or incurred because of any negligence or alleged negligence on the part of lessee, its employees or its agents.

Lessee may direct movement of the trailers within the designated facility but hereby waives all rights of subrogation against lessor due to equipment movement not performed by J.A. Logistics employees and its agents. Damage to equipment due to movement and/or overloading trailers beyond a reasonable weight capacity will be the responsibility of the lessee and settlement due at the termination of the rental agreement.

J.A. Logistics does not authorize that storage equipment is safe for movement on public highways as set forth by Department of Transportation guidelines. Delivery of and removal of storage equipment from the lessee location will be performed solely by the lessor.
